

# Commemorative Custom-engraved Paver

## Tell your story with a custom-engraved Touchstone Paver

Leave your permanent memory at Ebetsu Plaza in Main City Park—one of the gardens created and maintained by the Friends of the Gresham Japanese Garden.

For \$125 we will engrave a customized paver to honor a loved one, celebrate an event, or to express your own story to live in the walkway of Ebetsu Plaza.

All proceeds are deposited into an endowment fund to help finance the maintenance of the Gresham Japanese Garden for years to come.

## Ordering Your Custom Paver

Each commemorative custom-engraved touchstone paver can be personalized using one of over 20 symbols and up to 4 lines of text. See reverse side for complete ordering details.
